FUNDRAISING

Thank you for considering becoming a fundraiser for GaitWay! We appreciate your commitment to our organization. Here is a set of instructions to help you create your fundraising page.

Prefer not to read? Here is a video to watch! <https://vimeo.com/282681117>

On our main fundraising page for the Horse Show (<http://bit.ly/GTHShow2021>), start by clicking the “Start Fundraising Now” button.

The system will walk you through it step by step. Just read the instructions as you go!

You will be required to create an account (if you don’t already have one) or log in with a Facebook account.

Now you can choose a profile image! People are more likely to give to those they know - and that means you! So use a nice clear picture of yourself.

Next, customize your page to tell your story! Follow the prompts and fill out the form. Tip, you can click on the question mark next to the text boxes to get extra information on what to put there. Remember, you can always go back and edit it later!

Now you can preview your donation page. If you see anything that needs changing you can go back and edit them. If you like the way it looks, then click “launch page” you can always click on “edit page” after launching to edit changes that way.

Once you are ready to send it out, you can use the ‘donor ask templates’. These are text generated from your organization so all you need to do is copy the text, then go to your personal email and past the text there to send to whomever you choose! You can also make a social media post on whatever platforms you use! Another way to quickly share the link is with the quick share buttons on the left!

Once you get some donations, you may want to thank your donors! You can do this by using the ‘thank you templates’. Again, this is text generated by the organization. Follow the same steps as you would for the donor ask templates!
